1. Application scorecard

Every application with its incidents, SLA, MTTR, changes and a RAG status - the one-page view for management.

Applications	Incidents	Open now	SLA compliance	Breaching now	MTTR
12	958	19	82.2%	18	18.0 h

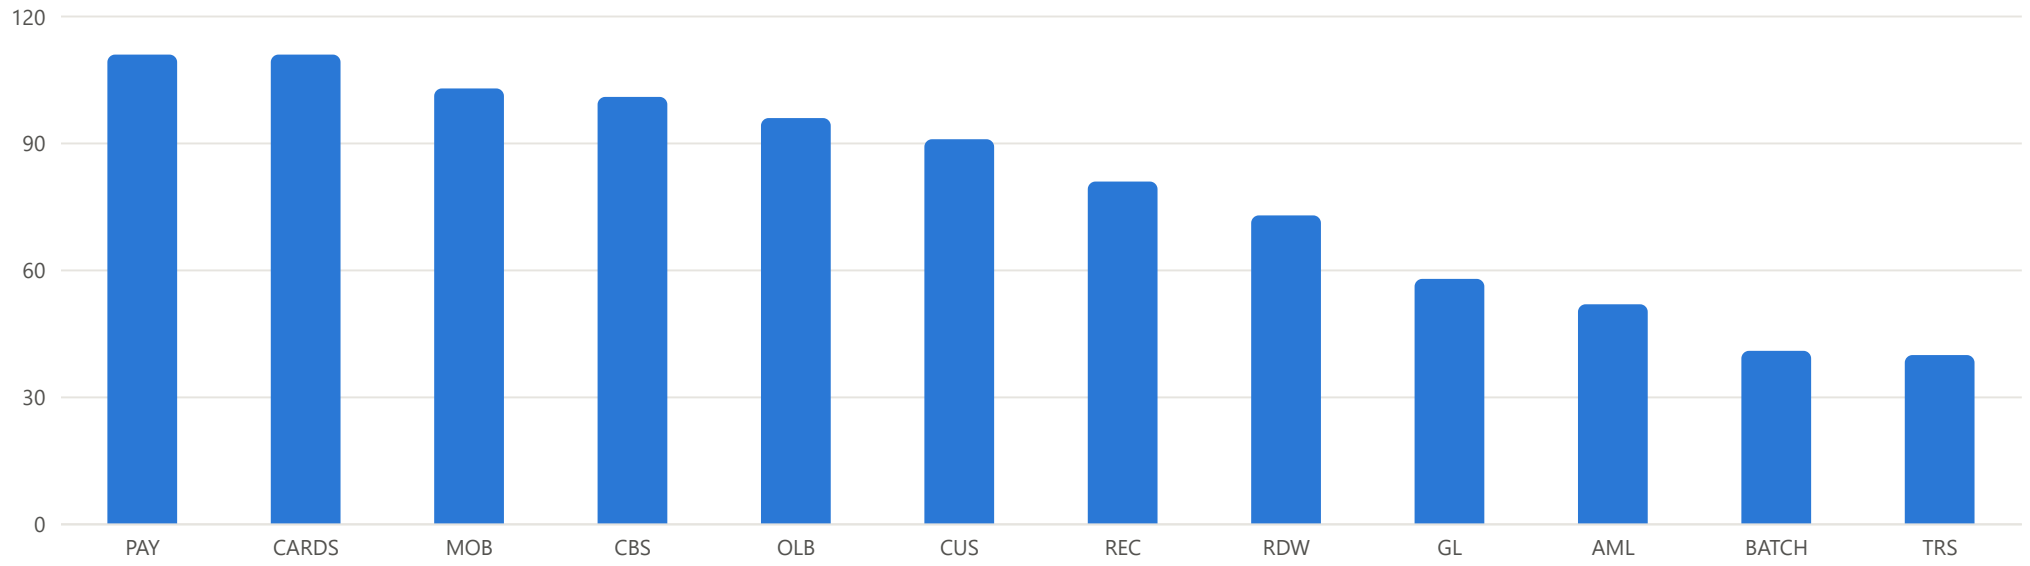

Red 5 Amber 7 Green 0

RAG rules: Red: an open P1, resolution SLA compliance below 80%, or 3+ incidents breaching now. Amber: compliance below 95%, an open P2, or any incident breaching now. Green otherwise.
